### **Offer conditions**

This offer is conditional on (i) you meeting the conditions set out below, and (ii) there being sufficient places available in the year in which you have applied for course commencement.

- Please provide evidence you have met the University's English language proficiency requirements, these can be found at: <http://sydney.edu.au/study/admissions/apply/entry-requirements/english-language-requirements.html>. If you are providing an English proficiency test, only official results are accepted, PTE results must be assigned to the University of Sydney for online verification purposes. Note: if you are applying for a CET package program to meet the English language requirements for your course, detailed information on how to package is available at: <http://sydney.edu.au/cet/packaging.html>
- Your English Language Proficiency will be reviewed once you have completed 1 year Australian studies.

Please also refer to the University's Find a Course website: [sydney.edu.au/courses](http://sydney.edu.au/courses) for assumed knowledge requirements that may apply to your course.

Please also refer to the University's Study Dates website at [sydney.edu.au/study/study-dates](http://sydney.edu.au/study/study-dates) for current details of key dates including planned holiday breaks.

Provided that you have successfully met the conditions of your offer, the University will send you the unconditional offer, which you will be asked to accept. As part of your acceptance of the unconditional offer, you must make the initial payment set out in the offer.

The University will send you necessary documents to allow you to apply for your Australian student visa once payment has been made.

If you do not meet the conditions of this conditional offer, and fail to provide the requested documentation, by the 'Application Closing Date' listed for your course on the University's 'Find a course website' at: [sydney.edu.au/courses](http://sydney.edu.au/courses), this offer will automatically lapse.

## Supporting documents

The University accepts scanned documents submitted online in support of applications for admission to courses. All supporting documents must be true and complete records. You should be prepared to provide original documents or original certified copies of supporting documents upon request at any time.

Documents submitted in a language other than English must be accompanied by a complete English translation. The University accepts translations to English made by an accredited translator with a government body, the Registrar of the issuing institution or, for international applicants, registered University education Agents who are designated translators.

Please note that detailed checking of supporting documents is an inherent element of our admissions process and may involve contacting the original issuing authority, relevant tertiary admissions centre, organisation, or individual, as required, to verify documents. A failure to provide documents on request, or the discovery of either fraudulent documents or a misrepresentation of true circumstances in association with your application, may lead to the rejection of your application for admission, the withdrawal of your offer, or the cancellation of your enrolment.

## Important information about fees

The tuition fee set out in this conditional offer is indicative only. The exact tuition fee that you pay will depend on the calendar year in which you undertake your study in the course.

### Tuition fees

The tuition fee set out in this conditional offer is based on a full-time student enrolment load of 48 credit points per year (1.0 Equivalent Full Time Study Load). If your study load is more or less than 1.0 EFTSL, your tuition fee will differ from the indicative fee set out in this conditional offer.

**Tuition fees are subject to annual review by the University and will increase each calendar year of your study, effective at the start of each calendar year.**

The exact tuition fees that you will pay for your specific enrolment in any given semester (or research period) will be set out in your 'Student Financial Statement'. This Statement will be generated, and available within 24 hours in your Sydney Student portal, once you have submitted your enrolment selections prior to the relevant University census date.

If you fail to pay tuition fees, student services amenities fees or other amounts due to the University, the University may take steps including limiting your access to services or your academic record, refusing you re-enrolment or cancelling your enrolment. The University will implement sanctions in accordance with the 'Student Debtor Sanctions Policy 2014' (as may be amended or replaced from time to time) which can be found at: [sydney.edu.au/policies](http://sydney.edu.au/policies).

### Overseas Student Health Cover

It is a condition of your student visa that you maintain Overseas Student Health Cover (**OSHC**) for the duration of your studies. The University can arrange OSHC on your behalf with our preferred provider, **Bupa (OSHC)**. Alternatively, you can arrange your OSHC independently with one of the Australian Government-approved providers – for further information on OSHC and OSHC providers visit: [immi.homeaffairs.gov.au/visas/getting-a-visa/visa-listing/student-500#Eligibility](http://immi.homeaffairs.gov.au/visas/getting-a-visa/visa-listing/student-500#Eligibility).

Under our agreement with Bupa, the University receives a commission based on a percentage of the premium paid for a policy, and other benefits from Bupa, for facilitating OSHC for international students. The commission and other benefits will be used to support initiatives that improve the international student experience at the University.

If you elect to have the University arrange your OSHC on your behalf, you will be required to pay for your OSHC at the time of accepting your offer. You can find further information on arranging OSHC through the University at [sydney.edu.au/study/finances-fees-costs/living-costs/health-insurance](http://sydney.edu.au/study/finances-fees-costs/living-costs/health-insurance).

Please note that the OSHC amount quoted above is an indicative amount based on coverage of a single person under the University's preferred provider agreement with Bupa. This amount may change if you elect to amend the type of cover and a final quote will be calculated when you accept your offer.

### **Student Services and Amenities Fee (not included in the tuition fees above)**

The Student Services and Amenities fee (**SSA Fee**) was introduced by the Australian Government to increase student support and facilities at Australian universities. Please note that the SSA Fee listed in this conditional offer is indicative of the year stated, and based on a full-time student enrolment load of 48 credit points per year (1.0 Equivalent Full Time Study Load). You will be required to pay a SSA Fee each semester for your study in a course. The SSA Fee is subject to annual review by the University, and will increase each year of your period of study (subject to a Government specified cap on indexation), effective at the start of each calendar year. For further information about the SSA Fee, due dates for payment, and payment deferral for eligible students, please consult the University's webpage at: [sydney.edu.au/students/ssaf](https://sydney.edu.au/students/ssaf).

### **Additional Expenses**

Please note that for some courses there are additional expenses in addition to the course fee. Some of these additional costs are significant, for example, course-specific materials, tools, protective clothing and equipment. Please consult the University's web page for more information: [sydney.edu.au/students/materials-equipment](https://sydney.edu.au/students/materials-equipment).

### **Method of Payment**

There are a number of ways that you can pay the fees that apply to your study. Be aware, a surcharge will apply for payments made using a debit or credit card. Find a list of the applicable card payment fees on our [website](https://sydney.edu.au/students/paying-fees). The surcharge is subject to review and may change. Information about payment methods can be found on our website [sydney.edu.au/students/paying-fees](https://sydney.edu.au/students/paying-fees)

### **Recognition of Prior Learning**

Your previous studies may allow you to reduce the length of your studies in this Course, depending on their relevance. The University's policies are available at the Policy Register at: [sydney.edu.au/policies](https://sydney.edu.au/policies). You should consult with the [Student Centre](#) for more specific information about your eligibility and apply for credit via your Student Portal.

### **Changes to your student status**

The University's 'Coursework Policy 2021' (which can be found at: [sydney.edu.au/policies](https://sydney.edu.au/policies)) provides information about residency changes and how any changes will affect your offer of admission and fee liability. The Policy may be amended or replaced from time to time, and you must consult this Policy for up-to-date information about changes to student status.

### **University Rules and Policies**

As part of agreeing to the terms and conditions of this conditional offer, you agree to comply with the University's rules and policies that exist from time to time. The University's rules and policies are listed on the University's Policy Register at: [sydney.edu.au/policies](https://sydney.edu.au/policies). The University may amend these rules and policies from time to time, and you must consult the University's Policy Register for the most up-to-date information.

To the extent that there is any inconsistency with the terms of this conditional offer, and the rules and policies of the University, the rules and policies prevail.
